# EMSync Software License Agreement

## 1. Ownership and Intellectual Property

The Software, including all source code, graphics, databases, and documentation, is the sole and exclusive intellectual property of Shameeg Jacobs. This Software was developed independently without funding or obligation to any third party.

## 2. Grant of License

The Software is licensed, not sold. The User is granted a non-exclusive, non-transferable, and revocable license to use EMSync for educational purposes within an approved academic institution. No distribution, resale, or unauthorized access is permitted.

## 3. Scope of Use

Use is limited to students, instructors, and coordinators of approved programs. Commercial, governmental, or third-party deployments are prohibited without prior written consent.

## 4. Restrictions

Users may not copy, modify, reverse-engineer, or share the software or source code. Unauthorized distribution or rebranding is strictly forbidden.

## 5. Attribution

Any use must credit: 'EMSync - Developed by Shameeg Jacobs, BEMC, MPH, Clinical Practitioner.' All publications or presentations must include this attribution.

# EMSync Software License Agreement

## 6. Data Responsibility

Users are responsible for ensuring compliance with applicable data privacy laws. The developer assumes no liability for data misuse or breach post-deployment.

## 7. Support and Modifications

The Software is provided 'as-is'. No guaranteed support is included. Optional services or updates may be available by agreement.

## 8. Termination

The license is effective until terminated. Breach of any terms may result in immediate revocation. Upon termination, all copies must be deleted.

## 9. Governing Law

This Agreement is governed by the laws of the United Arab Emirates. Disputes will be resolved under applicable UAE jurisdiction.

## 10. Entire Agreement

This document constitutes the full legal agreement. No other verbal or written agreements shall be binding.

## Signature and Acknowledgment
